WE FULLY SUPPORT THESE ORGANISATIONS

OUR ENGAGEMENTS

- We will never reveal your personal informations unless you did something against the laws.
- We will never sell your email address nor will send you spam.
- We are dedicated to offering you the best service as possible, and we will do whatever is possible to achieve this goal. We are experienced webmasters and system administrators that have a lot of experience with high traffic websites.
- We will also always try to keep our banners to minimum, and be as much as possible TGP compliant.
- We will never redirect any of your traffic like many freehost are doing.
